

HOW TO APPLY FOR A

small business loan through myIR

Keep this handy for when you're ready to apply for the loan.

This document provides an overview of how to apply for the small business cashflow scheme (SBCS) loan in myIR. This will help you get familiar with the process before you apply. Applications are only available in myIR and are open from 12 May – 12 June 2020. If you don't have a myIR account, register for one today at ird.govt.nz

For advice on whether the SBCS loan is right for you, speak to your financial advisor or tax agent. You may also wish to seek legal advice on your obligations if you take out an SBCS loan and whether you need to obtain the consent of your bank or another lender to your business or organisation. We do not provide financial or legal advice.

Before you start:

Before you start, go to ird.govt.nz/business-loan to check you meet the eligibility criteria and use the calculator to see how much you could borrow. Note: You must be legally allowed to borrow money for your entity and be the myIR account owner to be able to apply for the loan. Then have the following ready:

- 1 The bank account you want the loan to be paid into
- 2 Your New Zealand Business number (NZBN) – go to www.nzbn.govt.nz/get-an-nzbn to check if you have one or apply if you don't already have one
- 3 If you haven't received the wage subsidy, the number of full time and part time employees you have
- 4 Employees details: If you've received the wage subsidy from Work & Income or filed an Employment Information (EI) in the last 30 days, your employees' information will be pre-populated. Otherwise, you'll need to manually enter your employees' name, IRD number, and whether they are full or part time employees.

Step 1

Once you've logged into your business myIR account, select 'Apply for a Small business loan' under 'I want to...'

The screenshot shows the myIR Home dashboard for a user named 'Everything Burger'. At the top, there is a navigation bar with the myIR logo, 'Home', and user information. Below this, a banner asks if the user is having difficulty meeting obligations due to COVID-19. The main content area is divided into several sections: 'Customer' information, 'Alerts' (showing no alerts), and 'I want to...' menu. The 'I want to...' menu is highlighted with a red box, and the option 'Apply for a Small Business loan' is selected. Below this, there are tabs for 'Accounts', 'Submitted', 'Correspondence', 'Names and addresses', and 'Logons'. The 'All accounts you can access' section shows three accounts: 'Dividend withholding tax', 'Income tax', and 'Payroll', each with a balance of \$0.00. The 'Income tax' account has a 'Needs Attention' icon.

Employees

We need to know how many full-time and part-time employees you have to calculate the loan amount you're eligible for. If you are a sole trader, add yourself as an employee below.

- An employee working 20 hours or more per week is considered full-time
- An employee working up to 20 hours per week is considered part-time

If you or your employee works variable hours, calculate average hours worked each week over the last 12 months, or since they started work for you (if less than 12 months), to work out if they are full time or part-time.
The employee information below is based on Employment Information returns you have filed in the last 30 days. Ensure you review this information and:

- Remove any employees no longer working for you
- Add any employees working for you who are not in this list
- Tell us whether each employee is full-time or part-time.

1.1 These are the terms and conditions applying to loans made under the Small Business Cashflow (Loan) Scheme ("these Terms"). Additional definitions used in these Terms are set out below.

1.2 Your Loan Contract (which is made up of these Terms and your Application) is a "loan contract" for the purposes of section 7AA of the Act and will be binding on you and us when your Application is completed by you or on your behalf and we notify you that your Application is accepted.

1.3 You agree and confirm that:

- (a) by your Application being completed and submitted to us online, in either electronic form or in any other manner specified or permitted by us from time to time, you have entered into and intend to be bound by your Loan Contract; and
- (b) any declarations, representations and statements that have been indicated as agreed or confirmed in your Application (whether by ticking a checkbox or otherwise) are to be treated as declarations, representations and statements made by you.

1.4 Your Loan Contract will be terminated when you have repaid all amounts owing to us under your Loan Contract.

2. Definitions and interpretation

2.1 In these Terms

"we", "us" "our" and related terms means the Crown acting by and through the Commissioner of Inland Revenue.

"you" and "your" mean the borrower named in the Application. If you are a partnership, an unincorporated joint venture, the trustee of a trust or otherwise do not have separate legal personality, those terms (unless the context requires otherwise) also include each of your partners, joint ventures, trustees or members jointly and severally, and you are still bound by your Loan Contract despite any changes to your membership or formation, including by death, incapacity or retirement of any partner, joint venture, trustee or member, the admission of any new partner, joint venture, trustee or member, or in any other way.

"12 Month Date" means the date falling one year (12 calendar months) after the date the Loan Amount is made available to you (subject to adjustment determined by us to fall on a working day, as notified to you).

"24 Month Date" means the date falling two years (24 calendar months) after the date the Loan Amount is made available to you (subject to adjustment determined by us to fall on a working day, as notified to you).

"Act" means the Tax Administration Act 1994.

with

- (i) other government departments and government agencies, including (without limitation) for statistical and audit purposes; and
- (ii) with any debt recovery organisation or similar agency for the purposes of collection or enforcement, and with any credit reporting agency.

(c) You agree that you consent to us taking such action and any such information (including personal information) being used for such purposes, as described in this clause 10.4. You have a right to access and correct any personal information about you under the Privacy Act 1993.

10.5 Assignment

- (a) You are not permitted to assign or transfer any of your rights or obligations under your Loan Contract without our prior written consent.
- (b) We may (i) assign or transfer any of our rights, powers and obligations under your Loan Contract without your consent and (ii) disclose to any potential assignee or transferee such information (including personal information) about you and your Loan Contract as we consider appropriate. Any assignee or transferee may use such information for the purposes and the same manner as us.

10.6 Evidence of indebtedness: Our certificate as to any amount payable under your Loan Contract shall, except for manifest error, be conclusive.

10.7 No waiver: No failure on our part to exercise and no delay in exercising, any right under your Loan Contract operates as a waiver of that right, nor shall any single or partial exercise of any right under your Loan Contract prevent any other or further exercise thereof or the exercise of any other right. The remedies provided under your Loan Contract are cumulative and not exclusive of any remedies provided by law.

10.8 Partial invalidity: The legality, invalidity or unenforceability of any provision of your Loan Contract shall not affect the legality, validity or enforceability of any other provision.

10.9 Governing law: Your Loan Contract is governed by New Zealand law. The parties irrevocably submit to the non-exclusive jurisdiction of the courts of New Zealand.

10.10 Offences: We may take action against you or prosecute you for offences under the Crimes Act 1961 or the Act. You may be liable to pay penalties, fines or subject to imprisonment as a result. Such prosecution does not stop other legal actions being taken against you.
